## Home School Day @ the Library

Our first Home School Day @ the Library went well, so we are on to number two. It will be held on Wednesday, November 9th from 10 to 12:30. Our theme will be “Pumpkins & Thankfulness”

We need you to sign up....so we know how many of each age group, and how many we are going to feed that day, and how many craft supplies we will need. To start out, my focus is on the younger group ages 5-12, but older children are invited and as Steve Lambert said we can do a lesson and they'll just do something a bit more complicated.

Please respond to the library by Nov. 8th with the following information. Parent name, children’s names and ages/grades, and whether you will be eating lunch with us. Birth to 3 can play and socialize in the Play Room, during the learning activities. This is not a Drop & Go Program, parents will need to stay with their children or help with activities. Hope to see a lot of you at the library on Nov. 9th for our THIRD HOMESCHOOL ADVENTURE.

**What is VIRTUAL STORY TIME?** Every Monday, Wednesday, & Friday at 9:30, the library hosts a story time on Facebook Live with Miss Janet. This is so your children can connect with the library even if they can't be there. Craft packs will be available to go along with story times. Call and reserve yours!

| Nov. 30—Elephant              | Dec. 2—Monkey           |

This would also be a good deal for Home School Parents to use to get some reading and crafts in their school day. We hope you will join us. Don't forget to get your craft pack!
