

VOLUNTEERS NEEDED TO HELP WITH TAX PREPARATION FOR SENIORS IN LINN COUNTY

AARP FOUNDATION—TAX AIDE has provided this service to Linn County residents at the libraries in the county over the past few years. This year they do not have enough volunteers to provide this service. Ellen Dykas who has helped coordinate the Linn County service called with this bad news for seniors who depend on this service.

If there is anyone in the Linn County area who is willing to take the training at Antioch Library in Johnson County—January 7-11, 2019 from 9 to 5, then you would be able to help provide this service for our Linn Co. Seniors. For more details about this call the library at 913-757-2151 and we will put you in contact with Ellen who can give you more details.
