# It's BLOCKFest Time!

Sponsored by Parents As Teachers

Bring the family and come and experience a variety of block play! Block play has been shown to increase emergent math, science, motor, language, and problem solving skills.

**When: Tuesday, September 21, 2021**

**Where: LaCygne Library**

**209 N. Broadway St., LaCygne, KS 66040**

**Time: 5:30-6:30 pm**

**Registration: MUST pre-register at 913-484-7716 or email amyjo\_jamison@usd368.org**

Bring your children ages 8 and under to enjoy five block-play stations designed to maximize your child's enjoyment and learning. Parents will receive a free block play handbook with information on the stages of block play and tips to help your child learn math and science concepts while they play at home.

**PARTICIPATION IS FREE!**

Block Fest is designed to accommodate 35 children and their parents in a one-hour fun packed session. **Pre-registration is REQUIRED!**
