Linn County's ONLY indoor Farmer's Market Coming!!

Swan City Farmer's Market coming to La Cygne, KS, starting Friday, May 5th from 4 to 7 PM in the Swan Room located on the south end of the Library at 209 N. Broadway.

La Cygne resident, Rena Tedrow, thought that a Farmer's Market in La Cygne was a need and she started her research. Simultaneously, I had attended a webinar where they suggested that libraries help with Farmer's Markets. So the Swan City Farmer's Market evolved from these two ideas. Our goals are to provide products not only to LaCygne residents, but to make sure that folks visiting our community on the weekends at Linn Valley and Tanglewood have an opportunity to purchase farm fresh produce and meats for their visits. The Market will run from 4 to 7 each Friday, May 5th through Sept. 1st. At that point, the group will re-evaluate and see if running it year round is feasible. Please plan to support the market, share the info, and if you are a farmer or producer, and have not already been contacted or are unaware this is going on, please go to the Facebook page [Swan City Farmer's Market | La Cygne KS | Facebook](https://www.facebook.com/SwanCityFarmersMarket) or email swancityfarmersmarket@yahoo.com. There is a \$25 fee for the season, and vendors must comply with the KS State requirements for selling food including any necessary licenses and TIN posted on tables. If you would like to attend the next (final) meeting before market begins, join us Thurs. April 20th at 6 pm in Great Room at Library.

Traveling Exhibit to be on display in May at the La Cygne Historical Society Museum.

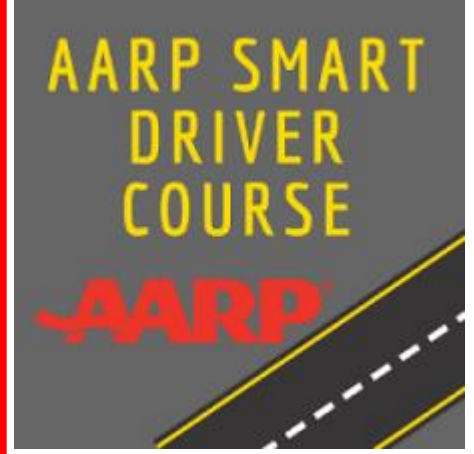

Kansas' history is filled with colorful characters that have shaped the state we know today. Through the passage of time, perspectives change and reality can give way to legend. Lines begin to blur exactly who truly deserves the title NOTORIOUS.

This engaging exhibit will explore a selection of so-called notorious figures from Kansas' past, leaving the visitor to answer just what made them receive such a title. Perhaps they might even disagree. From naughty to nifty, noble to nefarious, this exhibit introduces visitors to unforgettable Kansas characters. *Notorious* offers hands-on activities to spur engagement.

- Test your skill as an eyewitness with a screen-based puzzle.
 - Get your hands on a set of dowsing rods and decide for yourself if they work.
 - A jail cell offers a great photo opportunity.
- There is also a scavenger hunt.

We are privileged to be one of the first to have this traveling display!

Age Well

April 5, 2023 10:00 am - 11:30 am

Age Well is a virtual learning series hosted by K-State Research & Extension. 4 programs will be provided over a period of two days in April and May. Sessions will be hosted via Zoom and can be viewed in your home or in a group setting at one of our watch sites.

Meals in Minutes Interested in portioned sized meals that you can make in minutes? From main dishes to desserts to breakfast, these healthy meals can be made in the microwave or on the stove top. Speakers: Shelby Reed and Tracy Crosley, East Central Kansas Area Agency on Aging.

Radon: Know Your Risks Have you tested your home for radon gas exposure? Join the Kansas Radon Program to learn about what radon gas is, why radon gas migrates into homes, the health effects associated with chronic exposure to indoor radon, why home testing is needed, and what can be done to reduce radon levels in the home. Speaker: Kansas Radon Program.

Register online at <https://tinyurl.com/2023AgeWellSeries> to receive the link for the event. If you are unable to connect virtually, please call 913
