

COMMUNITY PARTNERS

Thank you to our incredible community partners for supporting our 2025 Summer Reading Program! Your generosity and collaboration helped make this summer a fun and enriching experience for readers of all ages. We truly appreciate your commitment to literacy and community growth!

We are also thankful for the individuals who have donated to our Summer Lunch Program!

Children's Prizes

Spin the Wheel is coming back again this summer! For children ages 2--6, for every 5 books you read, or have read to you, you get to spin the wheel and earn a prize from the wheel. Keep track of the number of books you read and each time you visit the library let us know how many new spins you get.

For children ages 7 to 12, you get a ticket for every book you read, to put in a drawing for prizes to be given away the end of summer reading. The more you read the more chances you will have of getting your name in the drawing. So get busy reading!!

Summer Lunch Program

Starting Monday, June 2, the library will be serving lunches at noon every day, except July 4. There is no charge for the meals, but free-will donations are accepted. This program is made possible by concerned patrons and a few grant programs. While there is NO COST to participate, we would like to encourage folks to stay for the programs at 12:30 each day. The Mission of the library is to provide literary and educational programming and we have combined that with the lunch program. Each day we will have some activity at 12:30. On Mondays we will have a 30 minute game time at the lunch tables and maybe some music. On Tuesdays we have performers brought to us by the Baehr Grant from First Option Bank. On Wednesday we will have gardening one week and fitness the next week. On Thursdays we will have BINGO and you'll play for candy. On Fridays we will have 30 minutes reading by volunteers and Free Book Friday. **PLEASE COME TO LUNCH AND PLAN TO STAY FOR THE PROGRAMS. WE WOULD APPRECIATE THAT VERY MUCH. DON'T EAT AND RUN!** To make this extra special, each time you come and stay for the **WHOLE** program you will get a ticket to enter a drawing for a prize at the end of the summer. The more programs you attend the better chance you have to win!

Read for Prizes--Grades 5-12 and Adults

For every book you read, audio book you listen to, or magazine you read, you may request a slip to write your name and put it in the brown bag for your choice for a drawing. Books do not have to be from our library, but you need to request a ticket from the adult desk and choose which prizes you would like to win. The more you read the more chances you have to win! (Teens have separate prizes).
